WMA Public Drawing Hunts

The SCDNR offers a variety of WMA hunts through computerized drawings. Hunt fees range from \$10 to \$100 per hunter and must be submitted at the time of application. Applications for deer hunts are available in July, waterfowl and quail hunts in September, and youth/adult only turkey hunts in February. Deadlines to apply for draw hunts are generally mid-August (deer), mid-October for quail and waterfowl and early March for youth turkey hunts. Applications are available at SCDNR offices statewide (refer to directory on page 58) or write SCDNR Public Drawing Hunts, PO Box 167, Columbia, SC 29202 or visit our web site at <http://www.dnr.state.sc.us>.

GENERAL REGULATIONS

On all DNR owned WMA lands the removal of artifacts or ecofacts (including arrowheads) from the surface or subsurface is prohibited except when approved by the State Historic Preservation Office and carried out in accordance with their guidelines.

See page 35 for regulations on private lands in Game Zones 1, 2 & 4.

Statutes 50-11-2200 and 50-11-2210 authorizes the promulgation of WMA regulations. See specific game zones for seasons.

2.1 Except as provided in these regulations, it is unlawful to hunt or take wildlife on areas designated by the South Carolina Department of Natural Resources (SCDNR) as Wildlife Management Area (WMA) lands.

2.2 Entry onto WMA land is done wholly and completely at the risk of the individual. Neither the landowner or the State of South Carolina nor the South Carolina Department of Natural Resources accepts any responsibility for acts, omissions, or activities or conditions on these lands which cause or may cause personal injury or property damage.

2.3 Entry onto WMA land constitutes consent to an inspection and search of the person, game bag or creel.

2.4 It is unlawful for anyone to hunt or take wildlife on WMA land unless an individual is in possession of a valid South Carolina license; a valid WMA permit; and other applicable federal or state permits, stamps, or licenses.

2.5 No Sunday hunting is permitted on any WMA lands.

2.6 On all WMA lands, baiting or hunting over a baited area is prohibited.

As used in this section, "bait" or "baiting" means the placing, depositing, exposing, distributing, or scattering of shelled, shucked, or unshucked corn, wheat, or other grain or other food stuffs to constitute an attraction, lure, or enticement to, on, or over any area. "Baited area" means an area where bait is directly or indirectly placed, deposited, exposed, distributed, or scattered and the area remains a baited area for ten (10) days following the complete removal of all bait.

2.7 On WMA lands construction or use of tree stands is prohibited if the tree stand is constructed by driving nails or other devices into trees or if wire is wrapped around trees. Other tree stands and temporary screw-in type climbing devices are permitted provided they are not permanently affixed or embedded in the tree.

2.8 On WMA lands any hunter younger than sixteen (16) years of age must be accompanied by an adult (21 years or older) who is validly licensed and holds applicable permits, licenses or stamps for the use of WMA lands. Sight and voice contact must be maintained.

2.9 Notwithstanding any other provision of these regulations, the Department may permit special events on any day during the regular hunting season.

2.10 No person may release or attempt to release any animal onto Department-owned WMA lands without approval from the Department.

2.11 While hunting on Department-owned WMA's, no person may consume or be under the influence of intoxicants, including beer, wine, liquor or drugs.

2.12 On WMA lands, during the designated statewide youth deer hunt day, still hunting only, two deer, either-sex.

WEAPONS

3.1 On WMA lands hunters may use any shotgun, rifle, bow and arrow or hand gun except that specific weapons may be prohibited on certain hunts. Small game hunters may possess or use shotguns with shot no larger than No. 2 or .22 rimfire rifles/handguns or primitive muzzle-loading rifles of .40 caliber or smaller. Small game hunters may not possess or use buckshot, slugs or shot larger than No. 2. Blow guns, dart guns or drugged arrows are not permitted. Small game hunters using archery equipment must use small game tips on the arrows (judo points, bludgeon points, etc.). The use of crossbows during any archery only season is unlawful except as allowed by 50-11-565 (see page 30).

3.2 For Special Primitive Weapons Seasons, primitive weapons include bow and arrow and muzzle-loading shotguns (20 gauge or larger) and rifles (.36 caliber or larger) with open or peep sights or scopes, which use black powder or a black powder substitute that does not contain nitro-cellulose or nitro-glycerin components as the propellant charge; ignition at the breech must be by the old type percussion cap which fits on a nipple or by flintstone striking frizzen or a "disk" type ignition system. The use of in-line muzzleloaders and muzzleloaders utilizing a shotgun primer including "disk" type ignition systems is permitted. During primitive weapons season, no revolving rifles are permitted. Crossbows may be used on WMA and private lands only during firearms and muzzleloader seasons for deer and bear. Use of crossbows during archery only seasons for deer requires special exemption (see page 30 Crossbows).

3.3 On WMA lands, big game hunters are not allowed to use military or hard-jacketed bullets or .22 or smaller rimfire. Buckshot is prohibited during still hunts for deer or hogs on the Santee Coastal Reserve, Bucksport, Pee Dee Station Site, Lewis Ocean Bay, Great Pee Dee, Crackerneck, Webb Center, Marsh Furniture, Manchester State Forest, Palachuocola, Waccamaw River Heritage Preserve, Donnelley, Francis Marion, Moultrie, Edisto River, Bonneau Ferry and McBee WMA lands.

3.4 On DNR-owned WMA's during periods when hunting is permitted, all firearms transported in vehicles must be unloaded. On the Francis Marion Hunt Unit during deer hunts with dogs, loaded shotguns may be transported in vehicles. Any shotgun, centerfire rifle or rimfire rifle or pistol with a shell in the chamber or magazine or muzzleloader with a cap on the nipple or flintlock with powder in the flash pan is considered loaded.

3.5 No target practice is permitted on Department-owned WMA lands except in specifically designated areas.

3.6 On WMA lands during still gun hunts for deer or hogs there shall be no hunting or shooting from, on or across any road open to vehicle traffic. During any deer or hog hunt there shall be no shooting from, on or across any railroad right-of-way or designated recreational trail on U.S. Forest Service or S.C. Public Service Authority property.

DEER

NOTE: The regulations for hunting deer on private lands in Game Zones 1, 2, & 4 are contained on page 35 of the Brochure.

4.1 On WMA lands with designated check stations, all deer bagged must be checked at a check station. Deer bagged too late for reporting one day must be reported the following day. Unless otherwise specified by the department, only bucks (male deer) may be taken on all WMA lands. Male deer must have antlers visible two (2) inches above the hairline to be legally bagged on "bucks only" hunts. Male deer with visible antlers of less than two (2) inches above the hairline must be taken only on either-sex days or pursuant to permits issued by the department. A point is any projection at least one inch long and longer than wide at some location at least one inch from the tip of the projection. Antler spread is the greatest outside measurement (main beam or points) on a plane perpendicular to the skull. On WMA lands, man drives for deer are permitted between 10:

00 a.m. and 2:00 p.m. only, except that no man drives may be conducted on days designated by the department for taking deer of either sex. On WMA lands, drivers participating in man drives are prohibited from carrying or using weapons. On WMA lands, in Game Zones 1, 2 and 4, man drives will be permitted on the last four (4) scheduled either-sex days. A man drive is defined as an organized hunting technique involving two (2) or more individuals whereby an attempt is made to drive game animals from cover or habitat for the purpose of shooting, killing, or moving such animals toward other hunters.

4.2 Deer either-sex days for gun hunts are as follows (*See Game Zone sections beginning on page 40 for specific dates*):

- Game Zone 1: The first two sets of Fridays and Saturdays in November.
- Game Zones 2 - 11: (except Dillon, Horry and Marlboro counties) Saturday after October 3; every Friday and/or Saturday from October 11 to Thanksgiving day inclusive; Saturdays in December beginning 23 days after Thanksgiving day; and the last day of the open season.
- Dillon, Horry and Marlboro counties: Saturday after October 3; beginning October 11, the next 2 Fridays and Saturdays, inclusive, and the Friday and Saturday before Thanksgiving.

DOGS

5.1 On all WMA lands, dogs may be used for small game hunting unless otherwise specified.

5.2 On all WMA lands in Game Zones 1, 2 and 4, dogs may not be used for rabbit hunting during still gun hunts for deer. Dogs may be used from the close of the gun season for deer until the close of the rabbit season. Dogs may be trained for rabbit hunting from September 1 through September 30 (no guns).

5.3 On WMA lands, dogs may be used for hunting foxes, coyotes, raccoons, bobcats or opossums only between thirty (30) minutes after official sunset and 30 minutes before official sunrise.

5.4 The Department may permit deer hunting with dogs on WMA areas not located in Game Zones 1, 2, and 4. For the purposes of tracking a wounded deer, a hunter may use one dog which is kept on a leash.

5.5 Dogs may be used to hunt bear on WMA lands in Game Zone 1 during the special bear season.

VEHICLES

All terrain vehicles (ATV's) are not allowed on any heritage preserve.

6.1 On all WMA lands, no hunter may shoot from a vehicle except that paraplegics and single or double amputees of the legs may take game from any stationary motor driven land conveyance or trailer which is operated in compliance with these rules. For purposes of this regulation, paraplegic means an individual afflicted with paralysis in the lower half of the body with involvement of both legs, usually due to disease of or injury to the spinal cord.

6.2 On Department-owned WMA lands, motor driven land conveyances must be operated only on designated roads or trails. Designated roads and trails on Forest Service lands are those designated with either a name and/or numbered sign. On Forest Service land ATV's can be used only on designated ATV or motorcycle trails. Unless otherwise specified, roads or trails which are closed by barricades and/or signs, either permanently or temporarily, are off limits to motor-driven land conveyances. **Enhanced Hunter Access:** In Central and Western Piedmont only hunters will be allowed to use "All Terrain Vehicles" (ATVs) behind gates on certain designated roads closed to regular vehicular traffic from September 15, 2005 through March 1, 2006 ONLY. Roads for this use will be indicated by a stenciled statement "ATV hunting Access Permitted - Primary Roads Only" on the cross piece of the gate. Hunters using ATVs are cautioned not to leave designated primary roads and to avoid damage to trees and highly erodible areas. Hunters are also encouraged to help clean up litter along these roads.

6.3 It is unlawful to obstruct travel routes on Department-owned WMA lands.

VISIBLE COLOR CLOTHING

7.1 On all WMA lands during any gun and muzzleloader hunting seasons for deer, bear and hogs, all hunters must wear either a hat, coat, or vest of solid visible international orange, except hunters for dove, tur-

key and duck are exempt from this requirement while hunting for those species.

The Heritage Trust Program: Heritage Preserves

The Heritage Trust Program

The Heritage Trust Program is part of the Habitat Protection Section of the SCDNR's Land, Water and Conservation Division. The Heritage Trust Program has acquired and manages 69 Heritage Preserves encompassing 81,294 acres statewide. Heritage Preserves protect cultural resources such as archaeological and historic sites, plus threatened species and ecosystems. Public recreation -- including boating, hiking, nature observation, photography, hunting or fishing -- is allowed on many preserves.

Twenty-four preserves (52,032 acres: 64% of the total acreage in the Heritage Trust Program) are also Wildlife Management Areas and are therefore open to public hunting in accordance with certain guidelines. The remaining preserves are not hunted because of their small acreage, public safety factors, or other legal, security, or biological factors.

Many roads are gated and open only for management or law enforcement purposes because Heritage Preserves contain unique, sensitive, and rare elements vulnerable to vehicular and inordinate foot traffic, and because the Heritage Trust Act emphasizes "on-foot" access. All terrain vehicles are prohibited on all Heritage Preserves. Bag limits and season lengths on Heritage Preserves are set with the aim of restoring or maintaining ecological integrity, which consists of natural processes (such as human predation), natural structure, and native species composition. Hunting, besides being an important cultural and recreational activity, is an important management tool on and near certain heritage preserves. The Heritage Trust Program has followed the lead of several other WMAs and prohibited hunting of fox squirrels.

Cultural resources are strictly protected on heritage preserves. All projectile points (e.g. arrowheads) are protected. It is illegal to take or otherwise disturb any cultural resource or to possess a metal detector on any Heritage Preserve.

All snakes (including venomous snakes) and other reptiles and amphibians, as well as any non-game plant or animal, are protected on all Heritage Preserves. It is illegal to harm or harass any of these animals or disturb plants.

SCDNR Heritage Preserve Regulations

1. Visitation and use of Heritage Preserves are governed by regulations to promote public enjoyment of the land while preserving the features

that make them special.

2. Heritage preserves are open for public use from one hour before sunrise to one hour after sunset unless otherwise posted or publicized. Exceptions may occur for a special hunting season or field trip, in designated camping areas, or for approved research or other projects.
3. Parking is allowed only for preserve visitors and only in designated areas (which may be parking lots and/or roadsides, depending on the preserve). Any other parking is prohibited. No vehicle shall block any road, regardless of whether the road is gated.
4. Collection, removal, or possession of, or damaging or destroying any nongame animal, plant, rock, fossil, artifact, or ecofact, or the possession of a metal detector on a Heritage Preserve are all prohibited without written permission from the SCDNR.
5. No person shall abuse, damage, deface or destroy land, structures, signs, or improvements on a Heritage Preserve.
6. There shall be no placement of trash, debris, rubbish, waste, or chemicals on preserves.
7. The consumption or display of any alcoholic beverage while operating or riding as a passenger in any vehicle and public drunkenness are not allowed. Alcoholic beverages may only be consumed by a person of lawful age only while camping at a designated campsite.
8. Camping and fires are not permitted unless areas have been designated or special written permission from SCDNR has been granted.
9. All terrain vehicles (ATVs) are prohibited on all Heritage Preserves.
10. Motorized vehicles are allowed only on designated roadways. Bicycles, horses, and other conveyances are allowed only on designated trails of specified preserves.
11. Hunting is allowed only on designated preserves and only in accordance with Wildlife Management Area regulations.
12. Firearms are not allowed, except on heritage preserves designated as Wildlife Management Areas and then only in accordance with Wildlife Management Area regulations, or as otherwise provided by state law. Target and other practice shooting are prohibited.
13. No plants, animals, or other organisms may be introduced on the property.
14. All or part of a Heritage Preserve may be closed to the public to protect a species, or natural, cultural, historical, or archaeological features.
15. Violators will be prosecuted.

Wildlife Management Areas

WMA Program

Through the cooperative effort of private landowners, the U.S. Forest Service and the SCDNR, Wildlife Management Areas (WMAs) are provided for the enjoyment of all wildlife enthusiasts. Funds generated from the sale of WMA permits enables DNR to lease approximately 1.2 million acres of land for wildlife conservation and management.

Heritage Preserves are properties acquired by SCDNR for the primary purpose of protecting habitat for rare and endangered species. Some Heritage Preserves offer game hunting opportunities, and, therefore, are included in the WMA Program.

All persons using WMA lands are reminded that only U.S. Forest Service lands and those areas marked by WMA signs are open to the

public. Lands not posted with these signs are the property of private individuals, and landowner permission must be obtained.

General locations of the areas described below are shown on the map on pages 38 and 39. For detailed maps showing these and other WMA lands write WMA MAPS, SCDNR, P.O. Box 167, Columbia, SC, 29202 or call 803-734-3886.

Wildlife Management Area Properties

WMA properties should be marked with these yellow and black signs.

Open dates for each season are listed in the Hunt Seasons section beginning on page 40 of this book. Note: * indicates SCDNR Property.
